Marseille, city of the South, gateway to the Mediterranean Basin, a city peopled by land- and sea-lovers alike, makes you feel welcome.

Parc Chanot, Marseille's Convention and Exhibition Centre, is proud to belong to this ancient and historic city.

Located in the very heart of the city, in a 40 acre park, just five minutes from the beach and the famous calanques, Parc Chanot makes available all the tools you require to make your trade shows, conferences, special events or private functions a success.

The Marseille Convention Centre takes advantage of all the spaces at Parc Chanot: its 40 plus acres of total surface area, its exhibition halls, its esplanades and its 2,000 parking spaces.

Its location makes it an exceptional tool. Surrounded by numerous hotels, it is at the arrival point of 3 motorways (North, East and Littoral), 20 minutes from the airport as well as being linked to *the main rail station by the Metro*.
